EXPERIENCE

LUCAS THEATER - SAVANNAH GA

- Fabricated scenic elements, props, and architectural components from construction drawings using carpentry, scenic painting, and finishing techniques.
- Collaborated with designers, technicians, and shop personnel to construct, assemble, and install scenic environments for theatrical productions.
- Interpreted technical drawings and design specifications to execute accurate, production-ready scenic elements.
- Selected and utilized a range of materials, hand tools, power tools, and fabrication techniques to achieve high-quality finishes and meet production requirements.
- Supported shop operations through material preparation, fabrication, finishing, assembly, installation, and breakdown of scenic elements.

SHOWS

- Peter Pan Goes Wrong (May 2026)
- The Crucible (May 2026)
- 9 to 5 (Mar 2026)
- Arctic Tundra (Mar 2026)
- Restricted Non-Disclosure SCADPRO (Nov 2025)
- Lotos Station (Nov 2025)
- Mauritius (Nov 2025)
- 10 Minute Plays BFA and MFA One Acts (Sept 2023)

MICHAELS - SARATOGA SPRINGS NY

- Assisted in the complete build-out of a new retail location, supporting the transformation of an empty commercial space into a fully operational store.
- Assembled and installed metal shelving, display fixtures, and merchandising systems throughout the store.
- Interpreted store layouts and installation requirements to accurately position fixtures, shelving, and merchandise.
- Performed hands-on material handling, assembly, installation, and organization in a fast-paced construction and retail environment.
- Assisted with truck unloading, inventory movement, and overnight stocking to efficiently prepare the store for daily operations.
- Collaborated with team members to complete large-scale installation and merchandising tasks within established opening deadlines.
- Transitioned into a customer-facing cashier role while continuing to support stocking, merchandising, and store operations.
